LETTER FROM MR. DAVIS.—Mr. Edgar Warfield, Adjutant of Lee Camp of this city, a few days since sent Mr. Jefferson Davis an invitation to attend the unveiling of the Confederate monument in this city on the 25th of May, and with it wrote the following letter:

ALEXANDRIA, Va., April 10, 1889.

Dear Sir: R. E. Lee Camp Confederate Veterans, of Alexandria, Va., presents you the formal card of invitation to participate in the unveiling of the monument to the Confederate dead of Alexandria, Va., on the 25th of May next. The few survivors who have gathered together desire to express the hope that their commander-in-chief, their leader and comrade through four years of heroism and valor for home and in dependence may be present on this occasion and thus crown with the full complement of honor a ceremony which will give to the present and the future a beautiful and substantial proof of the place in history which our comrades earned through wounds and death.

EDGAR WARFIELD.

P. S. Mr. Warfield received the following letter from Mr. Davis in reply:

BRADYVILLE, Miss., April 17, 1889.

Edgar Warfield, Adjutant R. E. Lee Camp C. V.

Dear Sir: Please accept my thanks for your very kind letter of the 10th inst., enclosing an invitation to attend the unveiling of the statue to the Confederate dead at Alexandria, Va. I regret that it will not be practicable for me to attend on that interesting occasion, and to meet the survivors of those who so nobly sacrificed all minor considerations to the purpose of preserving for themselves and their posterity the rights their revolutionary fathers secured and left to them for an inheritance forever. Please make my thanks acceptable to your associates, who have in so gratifying a manner expressed their desire for my presence, and secure them of the cordial solicitude for the welfare of each and all, with which I am faithfully,

JEFFERSON DAVIS.

DEATH OF MR. ALEXANDER.—Intelligence was received here to day of the death of Mr. Halam G. Alexander, partner of the late S. N. N., son of Mrs. Annie E. Alexander, and nephew of Mr. J. E. Alexander, of this city. Mr. Alexander was on board the steamer Trenton and died on the 15th of January last when that ship was to sail from Panama on her way to S. S. He was a young man of many excellent qualities, and was well known here, and his death will be regretted by a large circle of relatives and friends.

Mr. Alexander was captured by Mr. Engharboe, a colored man, while discharging his duty at Panama. He remains buried at that place. His remains were buried at that place. He was an excellent man, much beloved by all on board.

EASTER.—To-morrow will be Easter, the greatest feast day in the Church calendar, commemorating, as it does, the resurrection of the crucified Saviour of mankind. In all the churches services appropriate to the day will be held and in the Episcopal and Lutheran communion will be administered. The music of Easter Day will be as good, if not better, than for some years. The programmes are quite elaborate, and all are of a high order. The choirs have been rehearsing for weeks, and will undoubtedly render the selections in fine style.

Sons of the Sunday Schools will have their Easter celebrations during the day at which songs, flowers and the distribution of prizes will be the features.

Y. M. C. A. ANNIVERSARY.—The 36th anniversary of the Young Men's Christian Association, which occurs next Monday, will be observed by services in the M. E. Church south that night, at 7:30 o'clock. Rev. T. S. Hamlin, D. D., of Washington, will deliver the address.

A public meeting under the auspices of the Young Men's Christian Association will be held in the Methodist Protestant Church on Sunday at 4:30 p. m. Subject: "The Power of Young Men." Gospel Hymns will be sung. There will be no meeting in the association parlors.

MILITARY.—Capt. Mushbach, of the A. L. I., to-day received a communication from the Lynchburg Home Guard asking that ten well drilled men from that command be allowed to accompany the A. L. I. to New York on the occasion of the centennial celebration. Capt. M. at once replied that he would be glad to have the members of the Home Guard accompany his command.

The Home Guard expected to go to New York and take part in the celebration, but their offer was received by the Adjutant General too late and they were "shut out."

ARRANGING FOR UNVEILING THE MONUMENT.—The citizens' committee appointed to make arrangements for the unveiling of the Confederate monument in this city on the 25th of May, met last night. They made arrangements for issuing invitations, appointed sub-committees to request the railroad and steamboat companies to provide special rates for that occasion, and decided to petition the City Council to make an appropriation to help to defray the expenses of the parade. The committee will meet to-night.

PERSONAL.—Mr. Wm. M. Reardon, is quite sick at his home on Washington street.

Mr. Dorsey E. Fair, of this city, and Miss Lucy E. Reoe, of Prince William, were married at the residence of the bride on Wednesday last.

Capt. Samuel C. Beach, of Richmond, is in the city on a short visit to his brother, Mr. J. S. Beach.

Capt. G. A. Mushbach has returned from Westmoreland county, where he has been on legal business.

EPISCOPAL COUNCIL.—The Episcopal Council of the Diocese of Virginia will convene in St. Paul's Church, Lynchburg, May 15th, 1889. Bishop Whittle will preside, assisted by Assistant Bishop Randolph. It will be composed of the rector and one lay delegate from each parish, and will probably number 300 members. Several questions of interest will be considered and disposed of. Delegates to the general convention will be elected; the question of the name of the church will be acted on, as will also the relations of the church toward the colored members—that is, whether they are to have a separate organization or be entitled to full membership and privileges in the white churches. These questions will doubtless elicit interesting discussions, though the result in each case is hardly involved in any doubt. The session of the council will be an interesting social and religious event in Lynchburg, and preparations looking to the entertainment of the members have already begun.

THE JUDGESHIP.—The question of who will succeed the late Charles E. Stuart as Judge of the Corporation Court of this city is now being discussed and the names of Messrs. J. K. M. Norton, L. Marbury, K. Kemper, and Judge Critcher have already been mentioned in that connection. No meeting of the bar has yet been held in reference to the matter and, it is said, that some of the members differ as to the power of the Governor to appoint. Judge Diggs, of Lynchburg, who held the last term of the court here, was of the opinion that the Governor has no power to fill the vacancy, but only to name a judge of some other corporation to hold the terms of the court till the legislature could elect. In this opinion some of the members of the bar of the city agreed, but the majority are of the opinion that the State Constitution, as stated in the GAZETTE of Tuesday, gives the Governor the power to fill the vacancy, and that he will exercise it as he did last June when Judge Meade died.

A NEW SCHEDULE will go into effect on the A. F. and the A. W. roads to-morrow which the following changes will be made: The train which now leaves here for Richmond at 4 p. m. will leave at 6:41; the 5:20 p. m. train will leave at 5:16 p. m.; the 7:41 a. m. train will leave at 7:36 a. m.; the 8:05 p. m. train from Washington for this city will leave at 8:02; the 3:23 p. m. train from Richmond will hereafter arrive here at 3:16, and the 10:42 p. m. train at 10:32 p. m. Other changes will also be made.

KETTLEDUM.—Monday and Tuesday evenings the Bassetts' will give their quaint, old and original entertainment at the Trinity M. E. Church. As the Bassetts are well known for their excellent "Singin' Skewl," an evening of uproarious fun and quaint old fashioned music may be expected. Take your whole family to the "Kettledrum," but be sure their buttons are sewed on securely or Jedediah will make them roar so they will shake them off.

TRAIN WRECKERS.—It is reported that recent attempts have been made to wreck the cars on the Manassas Railroad near Delaplane and between Broad Run station and The Plains, by placing across the track ties, spikes, &c. Every effort is being made to detect the perpetrators of the dastardly attempt and to bring them to justice.

MEETING.—The stockholders of the Virginia Iron Shipbuilding Company held a meeting at their office here to-day and elected the following directors: E. O. Clarke, J. Utley, L. G. Burnham, J. W. Green, G. B. Lombard, L. H. Kimball and C. E. Moody. No other business of interest was transacted.

FISH.—Since yesterday's report about 150,000 herring and 500 shad have been received at Fishtown. Herring sold at \$3.24 per thousand, and shad at \$10.20 per hundred—the latter for all rose.

As we read Mr. Hawkes' testimonials from Governors, Senators, Legislators, men of science and distinguished citizens throughout the United States, who testified to having had their eyes improved, and sometimes restored, by the use of his celebrated glasses, we realize that a glass that will reflect such brilliancy of light as to enable the wearer to see as in youth, and to read by candle or other artificial light, surely is to be desired by all spectacle wearers.
